Gantt Diagram

Issues

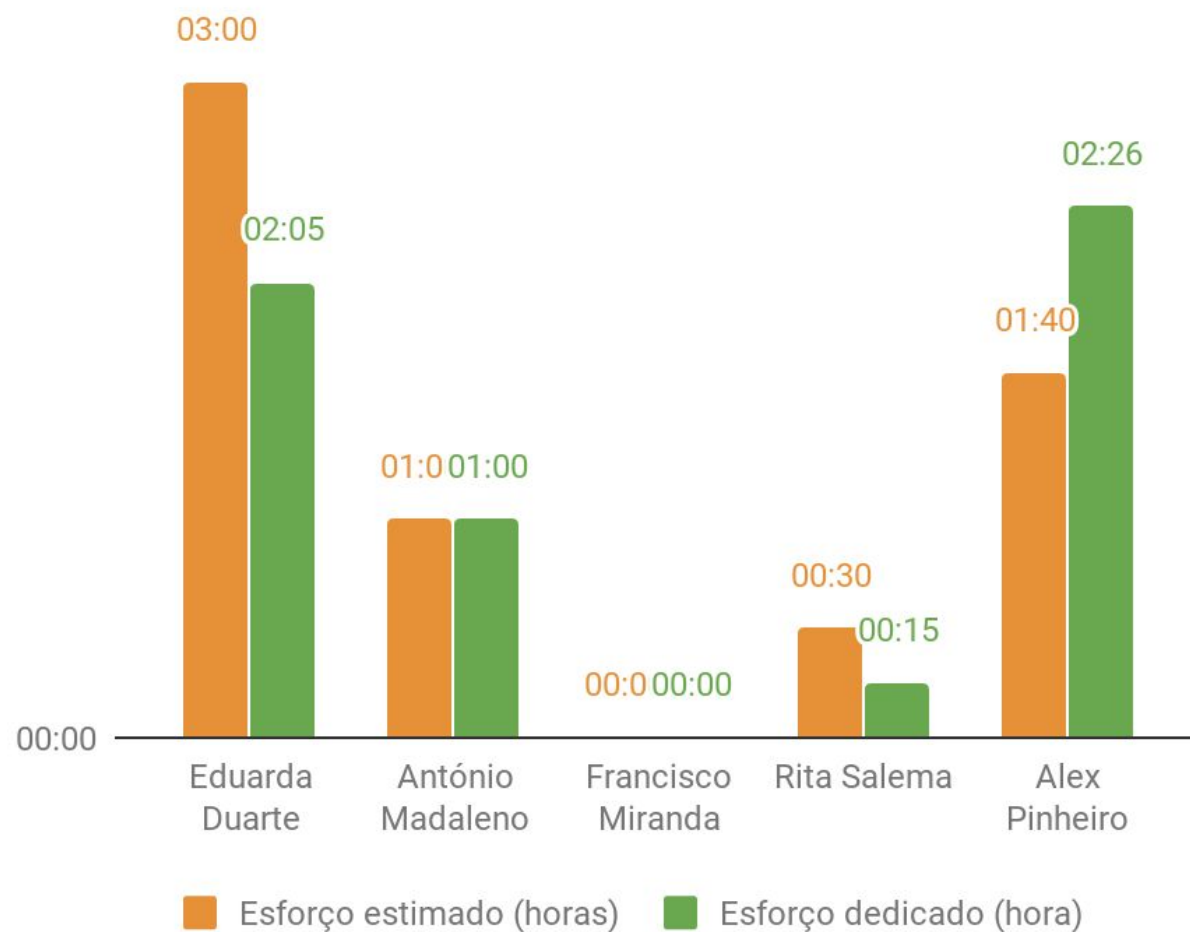

- Manuais de Qualidade: inspeção e reunião depois do feedback
- Artefactos feitos até dia 10
- Consultar o cliente com os artefactos para certificar de que está feito corretamente
- Deploy da aplicação até dia 10

Individual Effort

This is now in any way a competition to see who did less and who did more.

It's a method to check if everyone's contributing, and what teams are overloaded

Esforço individual semanal PM

Esforço individual semanal REQ

Esforço individual semanal IMP
